

THE TECHNOLOGY BEHIND SMARTPR

Not another filing system.

Tell SmartPR about your business once. It figures out every permit, license, and filing you need — and prepares the complete package.

1,516

Regulations, permits, forms & deadlines.

Everything that can apply to your business — tracked in one place.

3,692

Connections between them. Every requirement linked to its agency, form, deadline & fee — nothing falls through the cracks.

40

Government agencies covered. Hacienda, Estado, OGPe, Salud, Bomberos & more — every office you deal with, in one place.

16

Official forms filled automatically. Real agency forms completed from your business profile — no retyping the same info.
